

N. d.
1807 Francisco St
Berkeley Cal.

G Berlin
New York.

Dear Comrade., Enclosed
you will find the vote of Section
Berkeley. S. L. P. on the suspension
of the National G. Com. and Nat. Sec'y.
The same vote was also cast for the
holding of a convention at the earliest
possible date

The sentiment of the comrades on both
propositions was unanimous.

Hoping that a majority of the comrades
will see the light I remain

Yours Fraternally
