

Oakland Calif.,

May 23rd 1900.

Mr. Henry Slobodin, Nat. Secy S. I. P.

Dear Comrade,

Enclosed find vote of
Oakland Section, on propositions
submitted to referendum.

The vote is small, but is fairly
representative of the sentiment ex-
isting here as regards "Unity".

Our members are so scattered
around in different places just
at present, that I could not reach
some and others I did reach have
not returned their ballot.

Yours Fraternaly
