Portersville Oct 15/99

Dear Sir & Comrade!

I have to make a apology
to you for not inform before
this time of our Section
what we are doing for Social
ism in the far West as you
may called it I have been
Absent out of town for several
weeks i, thought thought
i could return sooner but
Business kept me from
it, i therefore write you
at present the following
resolution which was adopted
at our last Meeting on the
15th inst by our Section of town
Portersville

that we believe that the
old N. E. C. was justly
Deposed and that we recognise
the acting of the new N. E. C.

Yours Obedient J. J. Reinhart
Per. Sec.

to inform you of our working
of Socialism in this part of
the Country we are advancing
little by little but people
some are so thick headed
that it would almost take
a Cannon Ball to open them
Some are otherwise they like
Socialism but they ask how
are we going to get it we tell
them stop your voting your
old party System and turn
over a new leaf and you
will see the results

I will close this time
hope to hear from you soon
