Dear Comrade

The enclosed letter to you and the other comrades who make application for a Charter explains itself.

The State Committee only recognize the Old N.E.C. of which Henry Rubin 61 Beckman Street is Secretary.

Your application is in form, and a Charter would have been recommended at once if you had not stated you had sent a duplicate list to Slodobin. If this was done as a recognition of the, so called, New N.E.C. we cannot approve

or recommend the application.

If on the contrary it was an error on your part and you were not aware of the fact that the Washington State Committee only recognize Henry Kuhn Sec. and the Committee he represents, then we will be glad to have a section at Olympia.

All sections of S.L.P. in this State are a unit in this matter. I hope to have an early reply and that you will soon be again shoulder to shoulder with the comrades in this State, in our common fight for the proletarian all over the world.

Fraternally & sincerely yours
