Dear Comrad

Yours of recent date with letter of H.C. Wilson enclosed to hand. The woods are full of "Socialists" who dont know whether they are Socialists or Social Dem.

With an ~~A~~ not man to govern the state of Washington and speak to the people & remove the Cobwebs from their minds it would only take a short time to form a powerful organization of S.L.P. people.

As it is we must continue to drag. Am rejoiced to hear that Everett is in line - And now for a state organization.

Will you kindly give me

0658

very full detail as to how to organize
the state - what officers of so I may
act at once intelligently in the matter.

Enclosed find M.O. for
Two and half (\$2.50) Dollars for
which please send stamps.

Yours truly

T. J. Dean Org. of

Sec. Seattle

Please send me election returns of
S.L.P. vote as soon as you know it.

It is a comfort to think God
loved George well enough to take
him - Single tax might work
well where he has gone - Tom
Johnson et al got up quite a
slabber over him didn't they.

By the way at the out door meeting
at Cooper Inst. lately I see that
E. K. Thomas spoke to the overflow
meeting - Can you give me his address.
He is an old St Louis friend I think.
