Dear Conrad

Enclosed find M.O for
two (#2.00) Dollars for which please send
the "People" as follows.

W. J. Kinnear 310 Dexter Street. 1 year
Walter Walker 1426 - Second Ave 6 months
T. J. Dean 1114 - 5th Ave 6 "

The last two are renewals - the
time of both subscriptions expire with
no. 43. I paste the tab that comes on
my paper at the top - They have put F. J. in
place of T. J. Dean - it makes no difference
only it might confuse the mailing clerk.

Walker's time expires same time as mine.
I was in conversation with Kinnear this P.M.,
of course on Socialism, got him interested
& he asked me what paper to take. I told
him the "People" of course & very much to my
surprise he handed me a big round \$ and
asked me to send for it for him. He is
already a pretty good Soc. but when he has read
the People a year he will be a better one - will be
ready to go into the S.L.P.
Yours Truly T. J. Dean
