

TWO SPEAKERS AT S.P. MEETING

Kinney and Earp Will Speak at Empress on Sunday

The Socialist Party of Canada will have two speakers on the platform next Sunday night, W. Kinney and S. Earp.

These popular meetings continue to be well attended by the workers of Vancouver. Questions affecting the working class are dealt with from the Socialist point of view, by speakers who by actual experience of a working class existence, thoroughly understand what they are talking about, and who also realize that it is only the workers themselves, armed with a knowledge of their slave status in society, who will bring to an end the vicious and depraving conditions which exist at present. Come and learn! Knowledge is power! Meeting opens at 8 p.m. Questions and discussion as usual.
