

# Workingclass Platform

SOCIALIST PARTY, STATE OF WASHINGTON.

ADOPTED JUNE 29, 1902.

**"WORKINGMEN OF ALL COUNTRIES, UNITE! YOU HAVE NOTHING TO LOSE BUT YOUR CHAINS; YOU HAVE A WORLD TO GAIN!"**

We, the Socialist Party of Washington, in convention assembled, proclaim our allegiance to the Socialist Party of America, and affirm our unflinching adherence to the principles and the program of international revolutionary Socialism.

In presenting our candidates to the working class and those in sympathy with it, we base our appeal upon the following declarations as our **PLATFORM OF PRINCIPLES**:

1. Labor produces all wealth.
2. Under the present economic and political conditions labor's share in the wealth which it creates is merely a mean and uncertain subsistence.
3. So long as the present organization of industry remains the capitalist class will monopolize the machines of production and will appropriate, through the wage system, the wealth created by the working class.
4. This appropriation of labor's wealth by the capitalists is so complete that it enables them to live in luxury and idleness.
5. As a necessary consequence of this exploitation of the laborers by the capitalists—this expropriation of all property out of the hands of the toilers into the private ownership of the holders of capital, there is an inevitable war between the interests of the working class on the one hand and the interests of the capitalist class on the other.
6. This class struggle between the wealth-makers and the wealth-takers will endure so long as our present system of production for profit continues.
7. In this conflict between the workers and the capitalists, labor is disarmed on the economic side, all the instruments of producing and distributing wealth being owned and controlled by the holders of capital.
8. There is only one weapon with which the working class can successfully oppose the capitalist class—and that is the **BALLOT**.
9. This fact demands as an inevitable conclusion the organization of the working class into a political party that shall be, everywhere and always, distinct from and opposed to every political party not founded entirely upon the interests of the working class. The Socialist Party is organized to meet this demand, and is therefore the party of the working class.
10. The Socialist Party, when in office, shall always and everywhere, until the present system of wage-slavery is utterly abolished, make the answer to this question its guiding rule of conduct: Will this legislation advance the interests of the working class and aid the workers in their class struggle against capitalism? If it does, the Socialist Party is for it; if it does not, the Socialist Party is absolutely opposed to it.
11. In accordance with this principle, the Socialist Party pledges itself to conduct all the public affairs of this State in such a manner as to promote the interests of the working class.
12. In conclusion, we appeal to all workingmen to study the principles of Socialism, to vote with their class at all elections until they overthrow the power of capitalism, abolish industrial classes in society, terminate forever the class struggle and inaugurate the Co-operative Commonwealth based upon this fundamental principle of justice:

**TO EVERY WORKER THE FULL PRODUCT OF HIS LABOR!**
