### **Provenance/Source of Acquisition**

Gift of Louise Byrnes, 1977.

### **Processing Information:**

The contents of this collection, formerly known as either A collection of pamphlets of extremist movements, or, A collection of material about the Right and Left (political science), were organized in alphabetical order at the time of acquisition. In 2005, Royce Dieckmann created an item-level inventory of the materials and arranged them by main entry in topical categories to generate a finding aid for the collection. The name of the collection was then changed to its current title.
